The Xtreme Riders bike club of Framingham along with Andrew's Helpful Hands will once again be hosting the best ride and BBQ in the area. In the past, the ride started off with a handful of wonderful people with a great heart who wanted to help make a difference for a family who has a child going through the bone marrow transplant process. Now the ride is over 250 riders and over 350 participants. Let's make this grow even bigger and let's continue to make a difference in the lives of a family who needs to focus on their child!
